

# Online Tech Lessons - [stemkit.co.uk](http://stemkit.co.uk)

Online Lessons

Sign Up today for our online **STEM** lessons. Limited spaces available

**+** And

STEM KITS  
At-Home Learning

Extend the **fun and learning** at home with our STEM kits for rent

Following on from the roaring success of our online tech lessons that we have recently offered, we have now launched more lessons and are extending the invite to pupils of your school!

Our online courses are the perfect way for pupils to continue their learning and education from the comfort of home. Perfect for students seeking the collaborative spirit of our school tech club in a virtual environment. Let's keep students advancing their learning, interacting and building their tech skills!

Our online lessons are available for all skill levels, ages 7-11.

- **Guided Tuition** from our Tech Club leaders

- **Curriculum focussed** with Scratch game design, Podcasting, Hopscotch coding
- **Fun and Enriching experience**

We would like to offer all your students in years 3 - 6, the opportunity to book these online sessions before we advertise on social media. Please bare in mind that our sessions are typically filled the same day as release, so please communicate this as early as possible in your parent mail system to avoid disappointment.
