YEAR 3 – EGYPTIAN DAY

We had great fun making bread with dates, weaving, and creating tombs filled with amulets - but beware, some of the tombs are cursed!

In the afternoon, we worked in teams to try to build a pyramid - it was a hard task but Mrs Linney was impressed with our efforts!

Thank you to all the grown-ups who came to celebrate our work with us at the end of the day.

SPACE FOOD IN RECEPTION

Continuing with our Space Project, the children in Reception enjoyed sampling "Space Food" in class to experience what it would be like to be a real astronaut.

YEAR 3 TRIP TO FESTIVAL HALL

Year 3 had an exciting day out when they sang at the Royal Festival Hall this week.

NUMBERS DAY FOR NSPCC

Well done to all who made the effort to dress up in numbered tops for our “Numbers Day” to support the NSPCC – a total of £139.90 was raised for the charity.

Thank you!

CORONAVIRUS

Just a reminder that some of you may have travelled over the half term break. Please follow the guidance surrounding travel found here: <https://www.gov.uk/coronavirus> If you have travelled to one of the affected areas, it is crucial that you inform school and follow the advice given.

The school continues to take the appropriate advice including from the Public Health Organisation and we are currently following protocol and will continue to do so, updating you as required.

YEAR 1

This is George from Beech Class with his homework.

TIES

Could Parents please make sure that all children from Year 1 to Year 6 are wearing the Oriel Academy tie as these are an integral part of our school uniform. Ties may be purchased from the school office at a cost of £5.50.

YR 6, ROAD SAFETY WORKSHOP

Year 6 had a visit from the road safety show at school. It covered:

- How to cross the road safely
- Not to cross the road by a bus stop
- 'Ditch the distractions' - don't use phones when crossing the road
- To stay bright in the dark so that you can be seen

Urte said: "I really liked the tricks they did, for example when they were juggling to show the speed of the cars".

The children thoroughly enjoyed the show and thought that the presenters were informative and funny.
