

## YEAR 5 NEWS!

Dear Parents and Carers,

Another successful week in school and at home learning!

On behalf of all of the Year 5 team, we would like to say that we are so proud and pleased with the children's efforts; we thank you all for your determination, patience and enthusiasm as always!

We hope you have an incredibly restful weekend.

### The Year 5 Team

Congratulations to the following children who are this week's **STARS OF THE WEEK!**

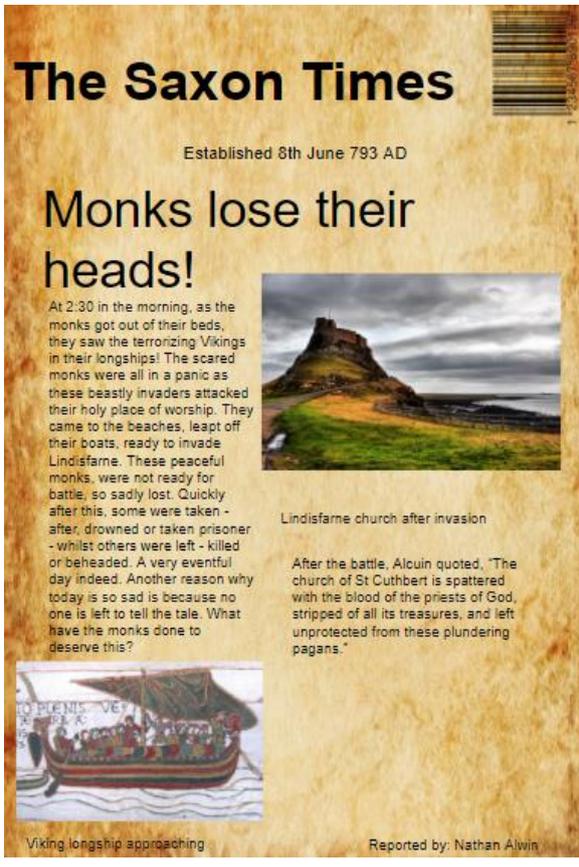

### Star of Google Classroom: Nathan White

Nathan has completed all the tasks set on google classroom to the best of his ability, his work has been amazing and he should be so proud of himself. Ms Leon, Miss Coles and Ms Owden are very impressed with his technical skills!

### Star of the Bubble: Charlotte Langford

Charlotte has just been a fabulous member of the bubble. She has made a video to help others, she has read stories, she completes all work, she is kind, helpful and conscientious. Ms Leon, Miss Coles and Ms Owden all agree that we are lucky to have Charlotte in year 5.

### YEAR 5 NEWS pictures:

Fabulous work by Nathan White	The Year 5 bubble being creative!
 <p><b>The Saxon Times</b> Established 8th June 793 AD</p> <h3>Monks lose their heads!</h3> <p>At 2:30 in the morning, as the monks got out of their beds, they saw the terrorizing Vikings in their longships! The scared monks were all in a panic as these beastly invaders attacked their holy place of worship. They came to the beaches, leapt off their boats, ready to invade Lindisfarne. These peaceful monks, were not ready for battle, so sadly lost. Quickly after this, some were taken - after, drowned or taken prisoner - whilst others were left - killed or beheaded. A very eventful day indeed. Another reason why today is so sad is because no one is left to tell the tale. What have the monks done to deserve this?</p> <p>Lindisfarne church after invasion</p> <p>After the battle, Alcuin quoted, "The church of St Cuthbert is spattered with the blood of the priests of God, stripped of all its treasures, and left unprotected from these plundering pagans."</p> <p>Viking longship approaching</p> <p>Reported by: Nathan Alwin</p>	

**Messages:**

- If your child is in school, please remember that they must wear their PE kits on Monday and Tuesday
- Our weekly timetable will be emailed and placed on Google Classroom

**Useful websites:**

<https://ukhosted50.renlearn.co.uk/2244688/> (Accelerated Reader)

<https://www.mymaths.co.uk/primary.html>

Please try to submit work through Google Classroom at the end of each day, we would really appreciate that as it makes marking and checking work easier and means we are not ringing you to ask for missing work! There is a youtube link in the parents section that can help with this. You can send a private message with maths scores if it is easier.

We are still setting homework through MyMaths and expect pupils to log on to Times Table Rock Stars (this is a fun way to improve multiplication knowledge). BBC bitesize has some great resources and it is worth taking a look if your child wants to do more. We have also added a section on the Google Classroom called extra activities to keep them amused.

Make sure you keep in touch with us; if you ever have any issues, questions or queries, do not hesitate to contact any member of the **YEAR 5** team. You can do this through the google classroom or by emailing the school office. We hope to see you all very soon.

Stay safe,

**The Year 5 Team**
