3. Barriers to future attainment (for pupils eligible for PP, including high ability)
Academic barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)

A.	Pupils have missed a significant period of schooling due to the impact of the Covid-19 Pandemic, there have been disparities in engagement, as a consequence a number of pupils have fallen behind during lockdown	
B.	Maintaining and improving Pupil Premium pupils' attainment and progress in line with their peers	
C.	The impact of the Covid-19 Pandemic has seen a rise in the number of pupils eligible for Pupil Premium funding by 13% (End of June 2020) <u>Knowledge and understanding of all staff</u> Identification of disadvantaged pupils What are pupil's barriers and needs? How well are pupil's performing in reading, writing and maths?	
D.	Pupils with weak language and communication skills	
E.	Pupils with English as an additional language and new to the UK	
Additional barriers (including issues to be addressed outside of school, such as low attendance rates)		
F.	Attendance issues – pupils do not attend or are late for school	
G.	Complex family situations have been heightened during the pandemic and lockdown and lack of parental engagement with children's learning and school life	
4. Intended outcomes (specific outcomes and how they will be measured)		
	<i>Measure</i>	<i>Success criteria</i>
A.	A recovery curriculum is designed to re-engage pupils, support their emotional health and wellbeing and transition back to school	Staff understand the emotional stress pupils experienced during the pandemic and forge close relationships to support re-engagement
B.	Attainment and progress outcomes in reading, writing and maths for pupil premium children is in line with non-pupil premium pupils due to accelerated progress Attainment and progress in combined subjects (reading, writing & maths) has improved and is in line with non-pupil premium pupils The attainment gap is significantly closed for pupil premium pupils who are working significantly below their peers	Identification of pupil gaps in achievement, with clear strategies and support to close gaps and improve understanding. End of year KS2 SATs results for reading, writing and maths for PP children to be at least in line or above with those of their peers In school data and test outcomes demonstrates an increased percentage of children working at greater depth in Maths and English Increasing whole staff awareness and responsibility for the attainment and progress of Pupil Premium children. There is a less than 9% gap between disadvantaged and other learners combined R/W/M
C.	Pupils with weak language and communication skills receive additional support that enables them to make good progress	Pupils will achieve set personalised targets Oracy skills of pupils will improve from starting points Pupils will grow their vocabulary from starting points and participate actively in conversations Pupils speech, language and communication skills will improve and enable them to access the curriculum Pupils are equipped with the knowledge and skills needed for their next stage of learning
D.	Specific teaching support is designed for new arrival pupils and pupils with English as an additional language	Data for pupils with EAL show that pupils' attainment and progress is at least in line with their peers

		<p>Specialist HLTA employed to support pupils with English as an additional language</p> <p>HLTA builds on skills for new beginners to enable them to access the curriculum and raise attainment in English & Maths as pupils understanding increases</p>
E.	To improve attendance and engage pupils in their learning to raise attainment of Pupil Premium Children with poor attendance, punctuality and persistent absence	Reduce the percentage of PA students to 5% or below. Overall attendance among pupils eligible for Pupil Premium improves in line with whole school target figures and non-Pupil Premium pupils
F.	Improved parental engagement and personalised support, with particular emphasis on supporting families following Covid-19	<p>Parents have access to advice and workshops with bespoke support following Covid-19</p> <p>Parents have access to school information on the school website and are supported in accessing required information Outside agencies support readily made available to parents in need and identification of needs is more effective as a result of greater working relationships Attendance at parent evenings is improved Parents of disadvantaged pupils view the school positively as evidenced in parent voice surveys / parents' forum</p>
