

Intent

Through PE at Oriel Academy, we aim to inspire all children to develop a love of life-long physical activity and sport. Through good physical education, whole school values and a whole child approach, we aim to nurture confident, resilient children who will strive to achieve their personal best. We listen to our pupils wants and integrate their needs within a wide range provision of active experiences including extra-curricular clubs, competitive interschool sporting events and fully-inclusive house competitions every half term to enrich our broad curriculum. We endeavour to aid our children in developing future skills and values, encouraging them to celebrate and modestly respect their own triumphs as well as the successes of others. We aim to ensure that our delivery of physical education insights sporting success within every child, allowing all to master their progression of basic skills and nurture their physical confidence beyond Oriel Academy. Through the teaching of a fully-inclusive physical education curriculum, all children can develop with confidence in their capabilities to be successful against any sporting challenge and sustain an active lifestyle at secondary school and beyond.

We strive to educate both our children and families to develop a greater understanding about how to live healthy lifestyles and make healthy choices. We are dedicated to ensuring healthy minds, as well as bodies, and continually strive to support our children's well-being. We have strong links with local clubs and partnerships within our community to ensure the children and families receive the support, knowledge and opportunities they need.

Implementation

- Provide opportunities for children to increase their understanding of what a healthy and active lifestyle looks like.
- Provide a wide range of opportunities for children to get active in class and on the playground.
- Provide CPD through Inset (what an outstanding PE lesson looks like) and coaching (individual to staff).
- Continuing to use SOW 'Get Set 4 PE' for staff to use.
- Provide staff with detailed assessment frameworks to support Teacher Assessments.
- Provide a wide range of clubs & activities for all children to access.
- Provide inter house competitions for ALL children every half term.

Impact

- Exposure to a wide & exciting range of physical activities developing their understanding & control of a range of skills.
- Access to a wide range of physical activities such as:
 Swimming; Athletics; Netball; Yoga; Fitness; Tennis; OAA Cricket
- Children are able to work on their physical as well as their SET (social, emotional and thinking) skills (Whole Child Approach).
- Children are physically active for a sustained period of time throughout a school day.
- Children will have the ability to investigate, analyse, experiment & work expressively to explore their own ideas within Dance & Gymnastics techniques.
- Development of future skills (resilience, communication, collaboration, cognitive load management, good sportsmanship & adaptive thinking) which can be applied to all areas of their learning.
- Develop an understanding of what a healthy and active lifestyle looks like.
- The children will be given the opportunity to be active in class & on the playground.
- Staff & pupil feedback on the current SOW is positive.
- Registers of attendance at clubs will show a higher percentage of children attending clubs.
