BREAKFAST CLUB (WRAPAROUND CARE):

We offer breakfast club for the children from Monday to Friday. Breakfast club runs from 7:30am-8:45am. Breakfast club is £4.00 per session In breakfast club the children have the option to have some breakfast which includes things like cereals and toast. To sign up you need to register on the gateway and make the payment before the chosen day that you want your child to attend.

NURSERY: We will be hosting nursery open sessions for new to nursery September 2022. Tea and coffee will be available at the below dates:

Wednesday 20th April – 3:30 – 4:30pm

SCHOOL DINNER AND PACKED LUNCHES:

Changing preference for school dinners. Want your child to change from Packed lunch to School dinners or from School dinners to Packed lunch? Please can you write an email 1 week before you want them to start. Even if your child has free school meals, we still need 1 weeks' notice. This is to minimize the waste of food or not enough food being cooked.

App Live 360 – family location sharing app:

Life360 is a free family communication, location and alert app for smartphones that allows users to share their locations with each other. Geo-fences can be used, for example, to track when family members arrive at or leave work, school or home. This may be useful for parents whose children come to and from school by themselves.

Library Project Help Needed:

Our wonderful Year 6 Library Crew are going to make our library the best! We would welcome furniture (shelving, beanbags, big cushions, LED lights, decals etc. and books in a good condition. If you have anything to donate or know someone who can (companies with spares/unwanted items) then please direct your responses to Miss Armour who is overseeing the project. We will be running some fundraising activities too. Please do get in touch, let's make Reading for Pleasure even better with an inviting, well stocked space.

Dear Parents and Carers,

Please visit the website below to help keep all children safe whilst using the Internet. The website below shows you how to add safety settings in chat apps.

'Help children stay safe on chat apps

Messaging and chat apps are a great way for a child to stay in touch with their friends and family but it's important both of you are comfortable with who they're talking to.

Talk to your child about who they're chatting to and how they know them. Remind them to be conscious of who they're sharing personal information with and not to share information with people they haven't met before. This includes information like their name, location, email, phone number and school name.' **NSPCC**

COMPETITION TIME!

Years 3, 4 and 5 are taking part in the Big Walk and Wheel competition starting next week, from 21st March-Friday 1st April. Healthy travel is how we can earn points against other schools across the country, so your children are being invited to walk, scoot or cycle to and from school each day!

Children will need to walk their bikes/scooters around to Nursery each morning, where a member of staff will be waiting. Please remember to label your child's bike/scooter with their class and name. Bikes/scooters will then need to be collected at the end of each day.

Those who travel to school by road vehicles are still welcome to join in- perhaps their journey could finish a little further away from school, enabling them to walk, scoot or cycle for the rest of the way.
