#### **SCHOOL DINNER AND PACKED LUNCHES:**

Changing preference for school dinners. Want your child to change from Packed lunch to School dinners or from School dinners to Packed lunch? Please can you write an email 1 week before you want them to start. Even if your child has free school meals, we still need 1 weeks' notice. This is to minimize the waste of food or not enough food being cooked.

When phoning in to let us know that your child is not going to be in school please could you include the following: name of your child, the class that they are in and please give a reason as to why they will not be in school that day. It is really important that you state the reason for their absence and not just imply that they are “unwell”.

Geo-fences can be used, for example, to track when family members arrive at or leave work, school or home. This may be useful for parents whose children come to and from school by themselves.

**Library Project Help Needed:**

Our wonderful Year 6 Library Crew are going to make our library the best! We would welcome furniture (shelving, beanbags, big cushions, LED lights, decals etc. and books in a good condition. If you have anything to donate or know someone who can (companies with spares/unwanted items) then please direct your responses to Miss Armour who is overseeing the project. We will be running some fundraising activities too. Please do get in touch, let's make Reading for Pleasure even better with an inviting, well stocked space.
