

The Oriel Perspective: NEWSLETTER 01/04/22

On Thursday 24th March, Year 5 and 6 girls had their first football match against Oak Hill Academy. The girls were incredibly excited but also quite nervous as this was their first ever time playing together and they had never played against another team before. It was a tough game but they persevered and didn't give up! The final score was 5-1 to Oak Hill. Well done girls, you played so well and represented the school brilliantly!

ATTENDANCE AND PUNCTUALITY MATTER

Help your child to achieve

**Good habits of attendance and punctuality are key skills
for adult life!**

Dear Parents and Carers,

What a busy term! Thank you to everyone who took part in the Easter activity: the children's bonnets and 3D projects were really wonderful to see. It has been so positive to have many parents in school to support the Mother's Day assembly, PSHE talks, the Year 6 SATS meeting and class assemblies.

Over the Easter holidays, please encourage your child to - and with - your child! Maybe visit the local library to enjoy books there or bring home for bedtime!

**Have a restful Easter break with your families and see you all in the summer term.
Mrs Gusterson.**

SCHOOL DINNER AND PACKED LUNCHES:

Changing preference for school dinners. Want your child to change from Packed lunch to School dinners or from School dinners to Packed lunch? Please can you write an email 1 week before you want them to start. Even if your child has free school meals, we still need 1 weeks' notice. This is to minimize the waste of food or not enough food being cooked.

Absences:

When phoning in to let us know that your child is not going to be in school please could you include the following: name of your child, the class that they are in and please give a reason as to why they will not be in school that day. It is really important that you state the reason for their absence and not just imply that they are “unwell”.

Congratulations to our Easter raffle winners!

App Live 360 – family location sharing app:

Life360 is a free family communication, location and alert app for smartphones that allows users to share their locations with each other. Geo-fences can be used, for example, to track when family members arrive at or leave work, school or home. This may be useful for parents whose children come to and from school by themselves.

Library Project Help Needed:

Our wonderful Year 6 Library Crew are going to make our library the best! We would welcome furniture (shelving, beanbags, big cushions, LED lights, decals etc. and books in a good condition. If you have anything to donate or know someone who can (companies with spares/unwanted items) then please direct your responses to Miss Armour who is overseeing the project. We will be running some fundraising activities too. Please do get in touch, let's make Reading for Pleasure even better with an inviting, well stocked space.

More Messages**Ramadan Mubarak:**

In 2022, Ramadan is expected to start on 2 April but since this month is based on the lunar calendar, like all Islamic months, it depends on the sighting of the crescent moon, which appears one night after the new moon. Every year Ramadan moves 10-11 days forward, as the Islamic calendar is shorter than the Gregorian calendar. Ramadan Mubarak is a translation of the Arabic word that means 'blessed.' Hence, the phrase translates to 'blessed Ramadan' which is a very heart-warming way of greeting brothers, sisters, families, and friends during the holy month. People shake hands and offer boxes of sweets to commemorate the occasion.

**Year 5 Learning!**

Year 5 had so much fun learning about healthy eating and hygiene needs with the on-set of puberty.

We presented our facts in an interactive way. Thank you to our Year 5 teachers for planning and preparing such a fun lesson!

We hope you all have a great Easter Holiday full of adventures!
We will see you back bright and early on **Tuesday 19th April 2022 @ 8:45am.**

Here are some lovely photos from cooking club this week, the children had the chance to make some amazing Easter treats.

Some of our Year 5 and 6s had a special prize treat which involved a visit to Space Studios! They trialled some engineering and investigated shapes that can be milled using AutoCAD and they even tried their hand at flying fight jets on flight simulators! All the children were a credit to the Oriel team. We are so proud of them!

Year 4 & 5 Football Match – Friday 1st April

This morning, Year 4 & 5 took part in a football match against one another. All children who wanted to play, were able to participate at some point throughout the game. Other year groups were invited to come to watch and cheer the children on – they were superb spectators! All children who participated in the match, played brilliantly and everyone had such a fun morning. Year 4 won the match and the final score was 5-2. Well done everybody!

Elijah was recognised for his outstanding performance during the game!

These Year 6 boys were incredibly helpful and kept the game running smoothly!
