

ORIEL ACADEMY WEST LONDON ADMISSIONS POLICY

The following information is for admissions for the academic year 2026/27.

THE ADMISSIONS OF PUPILS TO THE ORIEL ACADEMY WEST LONDON

This policy sets out the admission arrangements for Oriel Academy West London. The Academy will comply with all relevant provisions of the statutory codes (the School Admission Code and the School Admissions Appeals Code) as they apply at any given time to a maintained school and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to the Trust Board of the Academy. In particular, the Academy will take part in the Admissions Forum set up by the LA and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by the LA; including any local Fair Access Protocols that are in place.

Notwithstanding these arrangements, the Secretary of State may direct the Academy to admit a named pupil to the Academy on application from an LA. Before doing so the Secretary of State will consult the Academy.

The admission arrangements for the Academy for the year 2026/27 and, subject to any changes approved by the Secretary of State, for subsequent years are:

- a) The Academy has an agreed admission number of 60 pupils (26 for Nursery). The Academy will accordingly admit at least 60 pupils in the relevant age group each year if sufficient applications are received;
- b) The Academy may set a higher admission number than its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, the Academy will consult. Pupils will not be admitted above the Published Admission Number unless exceptional, extraordinary circumstances apply are agreed and such circumstances shall be reported to the Managing Director, Aspirations Academies Trust.

Admission Arrangements

The Academy has agreed to admit up to 26 pupils to Nursery and 60 to all other Years, Reception to Year 6 from 2026/27. The Academy may admit over this number if the 27th (Nursery) or 61st (Reception to Year 6) child is a twin or from a multiple birth, is a looked after child (LAC) or of armed services personnel. These arrangements and the admission policy (below) are reviewed annually.

Applying to the Academy should be done via the Local Authority in which the child lives. The online application process for Hounslow can be found at www.hounslow.gov.uk/admissions

SEN

Children with an Education, Health and Care plan (EHCP) that names Oriel Academy will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with an EHCP that has named the school.

Applications from Abroad

Applications from abroad (or from Scotland, Wales, Northern Ireland, the Isle of Man or the Channel Islands)

This policy does not apply to Crown Servants, who are dealt with under the statutory provisions of the School Admissions Code * see Members of UK Armed Forces and Crown Servants.

If you and/or your child currently live abroad but intend to move to the London Borough of Hounslow, we will accept an application ahead of your arrival. Your application will be processed using the home address in the country where your child is currently residing even if your family is returning to a property you own in the UK.

If we make an offer of a school place, the child will be expected to start on the first day of term.

Parents should ensure that their child has a right of abode or the conditions of their visas otherwise permit them to access a state-funded school.

Members of UK Armed Forces and Crown Servants

Families of UK service personnel and other Crown Servants are subject to frequent movement within the UK and from abroad. An official letter from MOD, FCO or GCHQ should be submitted with the application detailing a relocation date and a unit postal address or quarters in Hounslow and this address to be used throughout the admissions process.

Admissions to Nursery

Oriel Academy has a part time facility for 26 Nursery children. Children enter the nursery in the September after their third birthday. They attend a one 3 hour session per day, five days per week for a total of 15 hours. At this time the school does not provide a full time Nursery.

If you are interested in applying for a place at nursery then you can get an application form from the School Office. You will need to complete the form and hand it in with a copy of the child's birth certificate and a copy of your current Council Tax form as proof of address.

Please note that acceptance to the Nursery does not automatically mean that your child will obtain a place in Reception.

Admissions to Reception

The Academy has agreed to admit 60 pupils to Reception. The Academy may admit over this number if the 61st child is a twin or from a multiple birth, or of armed services personnel. These arrangements and the admissions criteria (below) are reviewed annually.

Applying to the academy should be done via the Local Authority in which the child lives. The online application process for Hounslow can be found at <http://www.hounslow.gov.uk/admissions>

Oversubscription Criteria

When there are more applications than there are places available after the admission of pupils with EHC Plans where the Academy is named on the EHCP, the following criteria will be applied to determine those children that will be offered places. The criteria are listed in priority order:

1. **Looked after children** (Note 1) and children who were looked after, but ceased to be so because they were adopted (Note 2) or became subject to a residence order (Note 3) or special guardianship order (Note 4). Please note that adopted children must be looked after by an English or Welsh Local Authority (Note 5).

2. Children with a **sibling** attending Oriel Academy in the academic year of admission (2026 to 2027) (Notes 6, 7 & 8).
3. Children of teaching **staff** (Note 9) employed by Oriel Academy West London. Where:
 - *the member of teaching staff has been employed at the school for two or more years at the time which the application for admission to the school is made; or*
 - *children of newly appointed staff, filling a post with a 'demonstrable skills shortage' (School Admissions Code 2012)*
4. Children for whom this is the nearest school measured by the shortest **distance** from the home address (Notes 10 & 11).

Notes:

1. A looked after child, as defined by Section 22(1) of the Children Act 1989, is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function for England and Wales. This includes those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Priority is also given under this criterion for looked after children who ceased to be so because they:

2. Were adopted under Section 46 of the Adoption and Children Act 2002 or an adoption order is in place under section 12 of the Adoption Act 1976.
3. Became subject to a child arrangements order under Section 8 of the Children Act 1989, as amended by S12 of the Children and Families Act 2014. Child arrangements orders replace residence orders, and any residence order in force prior to 22 April 2014, is deemed to be a child arrangement order, which settles the arrangements to be made as to the person with whom a child is to live.
4. Became subject to a special guardianship order under Section 14A of the Children Act 1989, which is an order appointing one or more individuals to be a child's special guardian(s).
5. The appropriate section on the Common Application Form (CAF) must be completed and a letter and/or documentary evidence from the child's social worker or other relevant professional must be provided. Consideration will not be given to this criterion unless the appropriate supporting documentation is provided at the time of application.
6. In all categories, priority will be given to those who have a brother or sister attending the Academy at the time of admission not application.

The definition of a brother or sister is:

- A brother or sister sharing the same parents
 - Half-brother or half-sister, where two children share one common parent
 - Step-brother or step-sister, where two children are related by a parent's marriage
 - Adopted or foster children
7. In order to meet the sibling criterion, your child's sibling must be attending the school at the time for application and be expected to still be attending at the time of admission in September 2026. You must complete the sibling details in the appropriate section on the Common Application Form (CAF). We reserve the right to seek verification of the information parents

have given on the application form and to withdraw the offer of a place if inadequate, inaccurate, deliberately misleading or false information has been given.

8. In the event that the school has one place to offer and the next child on the waiting list is one of twins, triplets or other children of multiple births, the Academy will offer both twins, all triplets and children of multiple birth a place if this means going over the published admission's number.
9. Under the oversubscription criteria in the word staff will mean: All staff who have been continuously employed by the school for a period of at least 2 years for the purpose or working in the school as follows:
 - All full time teaching staff
 - All part time teaching staff with a 45% and above teaching timetable

The 2-year qualification period may be waived if a post is hard to fill.

The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children or staff will no longer be eligible for priority admission under this criterion.

The definition does not include peripatetic staff.

10. In order to be fair to all applicants, Hounslow has a standard method of measuring the home to school distance. For all schools where the Local Authority (LA) is the Admissions Authority (AA) for the school and any schools where the Admissions Authority (the Governing Body or Academy Trust) has a policy to use the LA's measuring system, the walking route is measured by using a geographical information system.
11. It starts from a "seed point" which is a point of measurement in the footprint of the home address. The seed point is provided by the Local Land and Property Gazetteer (LLPG) from information compiled by the Local Authority or from the National Land Property Gazetteer (NLPG) for addresses outside our borough.
12. From the seed point, the route firstly connects to the nearest node of the digitised network. It will always measure using the centre of the road nearest to this point even if your home address is on the corner of two roads. The positioning of front doors, driveways and back gates are not relevant to the route or the measurement and are not programmed to be used by the measuring system. The digitised network is constructed from road data supplied by Ordnance Survey called OS Mastermap Highways Network. OS Mastermap Highways Network has been accurately digitised to measure along the centre of the road, the LA has no control over how OS digitise the road and footpath network.
13. The network starts from the seed point in the property provided as the child's address and continues by the walking route to the nearest of the school gates which is used by pupils to enter the school grounds. Where there are multiple applications with equal distances, the LA's database will randomly order these.
14. The walking route is established using an algorithm within the software used by the LA. This programme integrates with the LA's database (Synergy/School Admissions Management) which is supplied by Access UK Ltd www.theaccessgroup.com
15. Other measuring systems may give a different measurement but the Local Authority cannot take a measurement from another measuring system

Tie Break: If there is one place available and two or more children next in order of priority or next on the waiting list meet the appropriate criterion equally, the place will be allocated using the distance criterion. If the distances are equal, the LA's database will randomly order these.

Proof of Home Address

The address used in an application must be that where an adult or adults with legal responsibility for the child live, as described in the admissions policy. However, we may not use this if we consider it to be an address of convenience.

All school admission applications are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks may be made using council systems, agencies, fraud departments, other education settings, or other resources available to us. Applicants may also be asked to provide additional evidence to support their application.

We will not accept possible future addresses as a basis for allocating school places. If you move after submitting your application, you must inform the School Admissions Team within two weeks of your move so that your application is considered using the correct address for school admission purposes.

It is for the home Local Authority to determine if, on the balance of probability, the address given on an application is a child's normal place of residence or is considered to be an address of convenience. Some examples of circumstances which may be considered an address of convenience are:

- using the address of a relative, friend, childminder or business
- using the address of a parent with whom the child spends the minority of the week * see shared or joint residence
- purchasing a new property or renting accommodation and using this address in order to gain a school place, whilst continuing to own or rent an alternative property.
- owning a property which is or has previously been used as your home address and applying from another address in order to gain a school place, but still retaining ownership of the initial property
- use of a local address whilst the child lives overseas * see applications from abroad

In making a decision, the following factors will be taken into account alongside any evidence seen during the address checking process:

- the preference schools and if they are oversubscribed
- if the address being used gains an advantage in the admissions process
- the distance of the properties to the preference schools
- the length of time the arrangement has been in place
- current education providers and services working with the family
- any state benefits in payment

If an address of convenience is found to have been used, the home Local Authority will determine the address to be used based on the evidence found in their investigations. Where this address or preference schools fall within another Local Authority, they may be consulted in the decision.

If a fraudulent address or address of convenience is found to have been used after the allocation of places, any offer made will also be withdrawn, and this may be the case even if your child has started at the school.

If you are not registered to pay council tax, either because you are not liable or have recently moved, you will be asked to provide:

- A mortgage statement/tenancy agreement

and two of the following:

- Recent utility bill – gas/electricity/water/ TV licence
- Credit card statement
- Driving licence
- Entitlement to benefits letter e.g. Child Benefit (pages 1&2)/Child tax credit/Housing Benefit/Income support/ Jobseekers allowance
- Inland Revenue document
- Pay slip/P45/P60 (not more than 1 of these)
- Car/House Insurance certificate
- NHS medical card/GP registration
- Electoral register
- A letter confirming placement at your address from Social Services/National Asylum Support Service/United Kingdom Border Agency/Housing Department.

Any proof of address provided must show **the full name and match the details provided at the time of application.**

Any supporting information not in English language must be accompanied by a certified translation.

If we are not satisfied with the documentation provided, we reserve the right to ask for additional evidence of the address used for your application.

Shared or Joint Residency

The Local Authority will only accept one application per child and only one offer of a school place will be made.

We ask that parents work together to agree on the address to be used and the school preferences to be applied for. Any disagreements should be resolved before submitting an application. If parents are unable to reach an amicable agreement, then both parents should seek their own legal advice or recourse through the Family Courts. The Local Authority will not mediate between parents.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. The declaration (including the addresses of both parents) must be submitted at the time of making the original application.

If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, Hounslow will consider the address of the parent who is in receipt of Child Benefit or if Child Benefit is not being received, the address at which the child is registered with a doctor (GP.) You must send us a copy of your latest benefit entitlement notice or your child's medical card. We may also ask for further evidence if required.

If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week. It is for the home Local Authority to determine the address to be used for the allocation of a school place.

Fraudulent Information

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the Governors reserve the right to withdraw the place. An offer of a place can be withdrawn even after the child has started school.

Continued Interest List

A waiting list will be held for each school which is oversubscribed. To ensure that Hounslow meets its duty to continue to co-ordinate admissions beyond the offer date and comply with the parents' highest possible preference, Hounslow will ensure that waiting lists do not contain lower ranked preferences.

The waiting list will include those who have moved to the area and were unable to make an 'on time' application. Waiting lists are held in the order of oversubscription criteria, not in order of when an application is received. This means a child's position can move down as well as up following the addition of any applications that may have a higher priority.

The waiting list will be in operation until the **31 August 2026**. Hounslow will contact parents/carers in August 2026 to advise that they will need to complete an in-year application to continue on the waiting list from 1 September 2026.

Pupils with Disabilities

Children with disabilities will be treated no less favourably than other applicants for admission. Disabled children will be given equal consideration of a place with others under the stated criteria for admission. The definition of disability is that contained within the Disability Discrimination Act (amended). Oriel Academy West London will make reasonable adjustments to ensure that pupils with disabilities are not placed at a substantial disadvantage in accordance with the Disability Rights Commission Code of Practice.

Late Applications

Applications received after the closing date will only be considered as on time if received by 5pm on 8th February 2026. This is only subject under the following circumstances and upon receipt of suitable supporting evidence.

- The family moved into the Local Authority after the closing date

OR

- The family was unable to comply with the admissions timetable because of exceptional circumstances which prevented the application arriving on time – the circumstances must be given in writing and attached to the application form

Any late application (that has not been judged to be on time) will be considered after the national offer day. If a place cannot be offered, the child's name can be added to the waiting list. The waiting list will be in operation until the **31 August 2026**. Hounslow will contact parents/carers in August 2026 to advise that they will need to complete an in-year application to continue on the waiting list from 1 September 2026.

Each child added to the list will require the list to be ranked again in line with the published oversubscription criteria. Priority will not be given to children based on the date their application was received or their name added to the list. This means that a child's position on any waiting list can move down as well as up.

Independent Admissions Appeal Committee

Unsuccessful applicants may appeal for a place in the Academy. Parents wishing to appeal should write to the Academy to request appeal papers. The letter should be addressed to the Principal, Oriel Academy, Hounslow Road, Hanworth, Middlesex TW13 6QQ. Appeals will be heard by a panel which is independent of the Academy and the Governors.

In Year Admissions

The admissions process for all Years excluding Nursery will be managed by Hounslow Local Authority on behalf of the Governing Body/Academy. All in year applications for a school place must be made to the Local Authority on their online in-year application form. The Local Authority will allocate places in accordance with the school's published admission criteria. Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria and placed on the waiting list to be maintained by the Local Authority. When a space arises in-year the Local Authority will contact the applicant at the top of the waiting list and allocate the school place. The Local Authority will inform the school of the allocation who will also contact the applicant.

Fair Access (including Children Moving into the Area)

Oriel Academy West London adheres to HDC guidelines set out in the 'In-Year Fair access Protocol'.

Children with a history of challenging behaviour and those deemed vulnerable are placed in school using the Fair Access Protocol. This ensures they are offered an appropriate education placement as quickly as possible.

The Fair Access Panel consists of representatives from Hounslow schools, the local authority and other agencies. The panel considers all information available and the child's circumstances to make an informed decision as to what school would best meet the child's needs.

Admission of Children Outside of their Normal Year Group

The Aspirations Academies Trust as a general rule does not recommend the admission of children outside of their normal year group. However, the decision to admit a child outside of their normal year group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development, where relevant, their medical history and the views of a medical professional, whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The Principal of the Academy will discuss the issue with either the Regional CEO or Managing Director before making a decision. When informing a parent of their decision on the year group the child should be admitted to, the admission authority will set out clearly the reasons for their decision.

However, when applying for a Reception place this Admission would normally be in Term 1, the Autumn Term.

Parents/carers of a reception age child can either arrange for their child to attend part time until they reach compulsory school age or, Defer the date their child is admitted to school until later on in the Reception year. The latest the child can start school will be at the beginning of the Summer Term 2027. Please see Appendix 1 for further information.

It is usual practice for children to be educated in school year groups as determined by their date of birth, however there is no statutory barrier to children being admitted outside their normal age group. Parents/carers do not have the right to insist that their child is admitted to a particular age group but may make a request for this to happen.

Before making your request, you are encouraged to discuss this with the class teacher and the Principal / Headteacher of your current school.

You must make a separate written request at the same time as making your online application for your child's actual age group. You can upload supporting documentation if you wish to do so.

The admission authority for each school will decide based on the circumstances of your case and in the best interests of your child. Your request must set out the reasons why you are making the request and any relevant evidence you want us to consider which may include:

- the parents' views
- recent information about your child's academic, social and emotional development
- recent medical history and the views of a medical professional
- whether they have previously been educated out of their normal age group

The views of the Principal will be an important part of this consideration. We may also gather information from any professionals involved with your child to consider whether any of the following apply:

- Whether your child shows significant delay in intellectual development/education skills, across all subject area, to an extent that curriculum differentiation (with appropriate SEN resources) is not reasonable
- Whether your child's physical maturity places them in a position of being developmentally different from their peer group
- Whether your child shows an equivalent delay in emotional development and social skills, appropriate for a younger peer group

ANNUAL PROCEDURES FOR DETERMINING ADMISSION ARRANGEMENTS

Consultation

Paragraph 1.43 and 1.46 of the School Admissions Code confirms the timescale for the consultation and determination of your School admission arrangements are as follows:

Admission authorities must consult when admission arrangements are changed or if they have not been consulted on within the last 7 years. The last consultation was in January 2024. This Policy will be issued for consultation (1st October 2023 to 31st January 2024) according to the below arrangements.

The consultation period is a minimum of 6 weeks and should take place between 1st October and 31st January for the following year's September intake. For example, a consultation in January 2023 would be for the September 2024 policy.

The Academy will consult by 31st January.

- a) Parents of children between the ages of two and eighteen
- b) Other persons in the relevant area who in the opinion of the Academy have an interest in the proposed admissions;
- c) All other admission authorities for primary and secondary schools located within the relevant area;
- d) Any adjoining neighbouring local authorities where the admission authority is the local authority

For the purposes of consultation, the Academy will publish a copy of the proposed admission arrangements on the Academy website together with the contact details of the Admissions Officer, to whom comments must be sent.

The Academy will also send, upon request, a copy of the proposed admission arrangements to any of the persons or bodies above inviting comment.

Representations about Admission Arrangements

Where any of those that were consulted, or that should have been consulted, make representations to the Academy about its admissions arrangements, the Academy will consider such representations before determining the admission arrangements. Where the Academy has determined its admission

arrangements and notified all those bodies whom it has consulted and any of those bodies object to the Academy's admission arrangements they can make representations to the Schools Adjudicator by 15th May. The Schools Adjudicator will consider the representation and in doing so will consult the Academy. The Academy will provide all the information that the local authority needs to compile the composite prospectus no later than 8th August, unless agreed otherwise.

Those consulted have the right to ask the Academy to increase its proposed Published Admissions Number for any year. Where such a request is made, but agreement cannot be reached locally, they may ask the Secretary of State to direct the Academy to increase its proposed Published Admissions Number. The Secretary of State will consult the Academy and will then determine the Published Admission Number.

In addition to the provisions above, the Secretary of State may direct changes to the Academy's proposed admission arrangements and, in addition to the provisions above, the Secretary of State may direct changes to the proposed Published Admission Number.

Determination and Publication of Admission Arrangements

Oriel Academy West London will determine its admission arrangements by 28th February every year, even if they have not changed from previous years.

Oriel Academy West London will notify the appropriate bodies and publish a copy of the determined arrangements on the Academy website for the whole offer year (the academic year in which offers for places are made). The Academy will also send a copy of the full, determined arrangements to the Local Authority as soon as possible before 15th March.

Proposed Changes to Admission Arrangements by the Academy after Arrangements Have Been Published

Once the admission arrangements have been determined for a particular year and published, the Academy will propose changes only if there is a major change of circumstances. In such cases, the Academy must notify those consulted under paragraph 16 above of the proposed variation and must then apply to the Schools Adjudicator setting out:

- a) the proposed changes;
- b) reasons for wishing to make such changes
- c) any comments or objections from those entitled to object

Records of applications and admissions shall be kept by the Academy for a minimum period of one year and shall be open for inspection by the Secretary of State.

END OF POLICY

Deferred Admission

Parents can choose to defer their child's start for a term or two (until they are of compulsory school age.) Applications must be made online as usual by the closing date. Once a school place has been allocated, parents will need to write to the Principal to arrange the deferred admission.

The table below shows the options available:

<p>Children with their fifth birthday between 1 September and 31 December (autumn born)</p>	<p>Compulsory school age from the following January: A school place will be available from the September but can be deferred until January – the school place will be held once parents have agreed this with the school.</p>
<p>Children with their fifth birthday between 1 January and 31 March (spring born)</p>	<p>Compulsory school age from the following April: A school place will be available from the September before this but can be deferred until January or April — the school place will be held once parents have agreed this with the school.</p>
<p>Children with their fifth birthday between 1 April and 31 August (summer born)</p>	<p>Compulsory school age from the following September (which is then year 1 not reception): A school place will be available from the September before this but can be deferred until January or April – the school place will be held once parents have agreed this with the school.</p>

The child must take up the school place that has been allocated within this year group. If they do not take up the place, they will need to reapply again and the child will be allocated a place in Year 1 (not Reception.)

Part time Admission

Parents can choose to send their child to school on a part time basis. This may be preferable to deferring the child's entry until later in the school year as this will give them the opportunity to settle in gradually and start to make friends at the same time as other children in the class.

Applications must be made online as usual by the closing date. Once a school place has been allocated, parents will need to write to the Principal to arrange the part time admission.

Delayed Admission – summer born

Parents of summer born children (born between 1 April and 31 August) may not want their child to start school until the September following their fifth birthday. However, these applications will be considered for Year 1 not Reception. If a parent wants their application to be considered for

Reception, they may **request** that they are admitted outside of their normal age group – to reception rather than year 1.

A separate written request must be made at the same time as making the online application for the child's actual age group. Supporting documentation can be uploaded if you wish to do so (use document type – out of cohort.)

Parents are encouraged to discuss how their child's needs can be met in the Reception class at age 4 with the Principal. They should also read the Department for Education's advice for parents.

Children can access their reception year in any setting that is registered with Ofsted and meets the Early Years Foundation Stage Framework statutory requirements. This can be a childminder, pre-school, Day Nursery, or school reception class.

The admission authority for each school will decide based on the circumstances of the case and in the best interests of the child. The request must set out the reasons why the request is being made and must be accompanied with relevant evidence which may include;

- the parents' views
- recent information about the child's academic, social and emotional development
- recent medical history and the views of a medical professional
- whether they have previously been educated out of their normal age group
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely

The views of the Principal will be an important part of this consideration. We may also gather information from any professionals involved with the child e.g. nursery education provider, educational psychologists, to consider whether any of the following apply;

- whether the child shows significant delay in intellectual development/education skills, across all subject area, to an extent that curriculum differentiation (with appropriate SEN resources) is not reasonable
- whether the child's physical maturity places them in a position of being developmentally different from their peer group
- whether the child shows an equivalent delay in emotional development and social skills, appropriate for a younger peer group

The application will be processed and a school place will be secured. This place can later be withdrawn if the request for delayed admission is approved. If it is agreed that the child can delay entry, a new application will need to be made for the following September and this will be considered along with all the applicants for admission in that year. It is not possible to reserve a place for the following year. Therefore, there can be no guarantee of a place being available at the school, as this is dependent on the number of applicants that year.

If the request is not agreed, parents must decide whether to accept the place offered in the child's normal age group or refuse it and make an in-year application for the September following the child's 5th birthday.

Parents have a statutory right of appeal against the refusal of a place at a school for which they have applied. This right **does not** apply if the child is offered a place at the school but it is not in the preferred age group.
